Hi Julia,

Upon review of this, I think SEMD and LCARD should get a chance to see this. I suggest going straight to Enrique and Jeff Scott (as their names are listed on the doc), noting that the language here 100% relies on off-the-shelf material – nothing new – but if they do want to edit to let you know by...whatever deadline you see fit. 11am tomorrow?

I will note that the DDT Ocean talking points section needed quite a bit of shortening. I did quite a bit, see edits in attached, Ex. 6 Personal Privacy (PP)

Ex. 5 Deliberative Process (DP)

Thanks,

Hi Mike,

Attached is the Supervisor Solis Call Sheet for your review. Happy to make any edits you see fit before it goes to Deborah for review.

I know we're assuming this will be on DDT, but given Solis's recent tweets ([here](#), and [here](#)), I'd be very surprised if [redacted] wasn't mentioned as well.

Thanks!

Julia

As the call sheet is not new briefing info, but just info we've already put together and now presented in a new way, no I don't think so. How about you or Julia make the divisions aware on today's comms meeting that we're working on the call sheets?

Julia is taking the lead on putting something together based on the documents Laura and Deborah shared... do you think we need to also run it by Ex. 5 Deliberative Process (DP) and Enrique (DDT)?

Hi Julia,

The Administrator might be able to meet with Hilda Solis by next Tuesday 5/25 so we need to send back this call sheet ASAP. Happy to split it up with you today to get it out. Mike, we can definitely share it with you for review, but do you think Deborah wants to see it before sending it to Casey?

Her other issue, of course, could be Ex. 5 Deliberative Process (DP) We have an issue paper in the Janet material that Laura put together, but there's an update based on the May budget revise.

Sonam, Mike, Deb:

Hilda Solis has requested a call with the Administrator, which I presume would be focused on DDT, although she could raise other topics of interest to the Board as well. Still figuring out scheduling but this could happen as soon as **next Tuesday 5/25**.

Could you help me pull together a call sheet for a possible call? Attached is the template we use.

Thanks for any help on this. Let me know any Qs.
